Subject: Deficient Notice of Intention to Commence Small Mining Operations, Bromide Mining LLC, Bromide Basin Mine, S/017/0031, Garfield County, Utah

Dear Mr. Azoulay:

Ownership and control information in the referenced Notice of Intention to Commence Small Mining Operations (NOI) needs to be updated. The current NOI says the registered agent is Dan Vaughn with Dan Vaughn and Erez Goldgrabber as members/managers, but information on file with the Division of Corporations says the managers are Avraham Azoulay and Erez Goldgrabber with Incorp Services, Inc., as the resident agent. The addresses and phone numbers have also changed.

By August 8, 2011, please correct this information by submitting an amendment to the NOI using form MR-REV-SMO/EXP available on the web at [https://fs.ogm.utah.gov/pub/mines/minerals\\_related/forms/MR-REV-SMO\\_EXP.pdf](https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-REV-SMO_EXP.pdf).

On July 10, 2010, the Division of Oil, Gas and Mining received an application to change the operator name to Martinique Mining Corporation. If your intention is for Martinique Mining Inc., to be the operator, please submit a permit transfer application. This form is also available on the Division's web site

If you have any questions regarding this letter, please call me at 801-538-5261 or Wayne Western at 801-538-5263. In reply, please refer to file number S/017/0031. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
